Student feedback analysis report for the academic year 2023-2024

Students' feedback on the curriculum

Objectives of the input:

The Institution aims to offer the best lively atmosphere and learning skills to inspire students to perform at their full potential for academic accomplishment. Stakeholders i.e., students, teachers, and employers play a significant role in the assessment, growth, and improvement of the quality of this learning process. Hence the institution collects feedback from all the stakeholders i.e., students, teachers, alumni, and employers every academic year on the curriculum/syllabus to assess its service strategies can be reviewed and make variations as per Stakeholders' necessities.

Students feedback:

The student feedback on the curriculum is designed to get feedback from students that can be used to improve the quality of course design and delivery and students' knowledge of learning. In the present academic year 2023-24, the institution collected feedback from around 50 students from B.Pharm and Pharm D. The data is analyzed, and their suggestions are considered for probable implementation of curriculum delivery.

Analysis:

The student's feedback on the curriculum was taken from the students at the end of each semester/academic year;
