BROCHURE

About Festival:

The Azadi Ka Amrit Mahotsav is an initiative of the Government of India to celebrate and commemorate 75 years of independence and the glorious history of its people, culture and achievements. This Mahotsav is dedicated to the people of India who have not only been instrumental in bringing India thus far in its evolutionary journey but also hold within them the power and potential to enable Prime Minister Narendra Modi's vision of activating India 2.0, fuelled by the spirit of AatmaNirbhar Bharat. The Rashtriya Boudhik Sampada Mahotsav (National Intellectual Property Festival) is being organized under one of the nine themes namely, Atma Nirbhar Bharat, of the Azadi Ka Amrit Mahotsav. This theme plays a significant role in fostering self-reliance and promoting indigenous development in India. With a vision to build a strong and self-sufficient nation, the focus is on showcasing efforts that encourage entrepreneurship, celebrate local research and innovation, enable filing of patents, trademarks etc. fosters skill development across various sectors and more. The aim being to establish an ecosystem that empowers individuals and businesses to thrive independently, reducing dependency on imports and harnessing the potential of local resources. Through initiatives like Startup India, Make in India, and Skill India, Atma nirbharta based initiatives strive to enhance economic growth, create job opportunities, and showcase India's capabilities on a global stage. In this context, Intellectual Property Rights (IPR) assumes high significance. The Rashtriya Boudhik Sampada Mahotsav is celebrated at various places across the country from the last week of June to the first week of August 2023.

About MNR Foundation and Innovations:

MNR Foundation for Research and innovations is a vibrant R & D centre creating Industry Academia interface established in November 2016 by MNR Educational Trust Chairman Shri M N Raju and Vice Chairman Shri Ravi Varma Mantena. The centre is located at lush green landscape of MNR HERA campus, Sangareddy , Hyderabad. The aim of the centre is to facilitates the active interaction clinicians, industries and academicians which will result in the innovations for the betterment of human being. The research centre is equipped with all the necessary infrastructure

PRINCIPAL
MNR COLLEGE OF PHARMACY

facilities required for the research in various fields like medical, biotechnology, pharmacy and health sciences. The team of research scientist works enthusiastically on various projects sanctioned by the Government agencies.

About MNR College of Pharmacy:

MNR College of Pharmacy (MNR COP) is located at MNR Higher Education and Research Academy (MNR-HERA) Campus, Sangareddy, Telangana State. MNR-HERA campus is spread across 110 acres of lush green grass and at approximate travel distance of 1 hr from Hyderabad. The college is affiliated to Osmania University and approved by Pharmacy Council of India. The College is certified by ISO:2015. The institute is self-financed institute and offers B.Pharm, Pharm D, M. Pharm (Pharmaceutical Chemistry, Pharmaceutics and Pharmacology) and Pharm D (Post Baccalaureate) courses.

One of the major aim of the institution has been to work in creating awareness regarding its domain of work among the stakeholders as well as society as a whole. The institution provides a remarkable education in rural masses as it is located at rural part of Sangareddy district. This is evident in the various activities conducted at the institution. Apart from imparting Education, Institution believes in creating good citizens via conducting various life skill and social activities at the institution.

About The Workshop:

Intellectual property rights as a key intellectual asset of the academic institution/ /private organizations/ R&D institutes/ Startups etc. empowers innovators/ entrepreneurs to collect full value of their innovation. It has now become very important for organization to develop expertise & capacity not only to create intellectual property though R & D but also to manage it to earn revenue. To pulse the sentiment of Atma Nirbharta in the general public, Ministry of Culture proposes to raise awareness about Intellectual Property Rights under Azadi ka Amrit Mahotsav, and urged to different ministries/ departments for organizing several parallel programmes in sync with the theme Atma Nirbharta and Department of Scientific & Industrial Research (DSIR) has been directed to conduct the IP Awareness programme.

With the similar intention of DSIR, MNR Foundation for Research and Innovations organized one day workshop in association with MNR College of Pharmacy.

PRINCIPAL
MNR COLLEGE OF PHARMACY

Objective of the Workshop:

- To enlighten the students and faculty about the concept of IPR
- To illustrate the process of filing patent in India with examples
- To make aware about patenting of ideas and innovations

Topics to Be Covered

- Introduction to IPR
- Types of IPR (Patents, Design, Trademark, Copyright, GI etc.)
- Procedure of IP filing in India
- Patentability of Inventions in India
- Patent Search etc.
- Copyrights and Trademarks

REPORT ON WORKSHOP ON INTELLECTUAL PROPERTY RIGHTS AND PATENTS

MNR Foundation for Research and Innovations (MNR FRI) has organized one day workshop on “ IPR and Patents” in association with MNR College of Pharmacy on 26/07/2023 from 9.30 am onwards at MNR auditorium. Around 400 students and faculty from B.Pharm, M pharm and Pharm D courses attended the workshop.

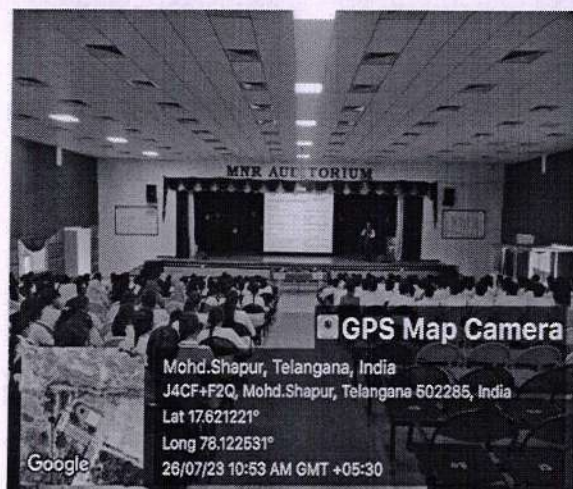

The Workshop started with the guiding address by Dr V Alagarsamy, Director- MNR FRI who introduced the Intellectual property rights to all the participants. Further he added the basics of research and innovations and importance of patenting the innovations to the all participants. Dr Chitrapu Kama Raju- Legal Educationist, having 26 years extensive experience in developing an entrepreneurial IP framework, enterprise creation and legal education. Dr Kama Raju took a detail session on IPR and Patenting. He also explained the process of filing patent in Indian Patent office and enlightened the participants about the various courses available to get diploma, degree or PG diploma in patenting. He also explained the process for writing patent examiner exam. His session was overall a complete guide regarding current status of IPR in India and the role of budding pharmacist in the growth and development of the same.

After the lunch break the workshop was continued with the session by Dr Shahila Parween, Scientist MNR FRI. Dr Shahila discussed about the copyrights, the process for applying copyright, the details about the activities which comes under copyright. The effects of copyright violations and more information about the copyrights

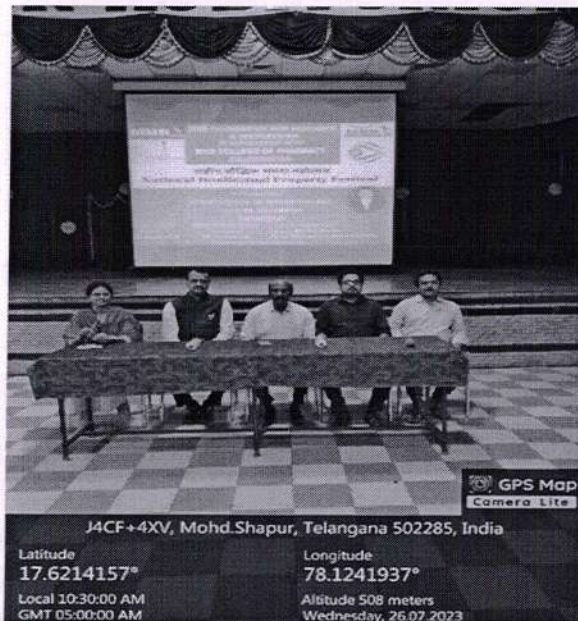

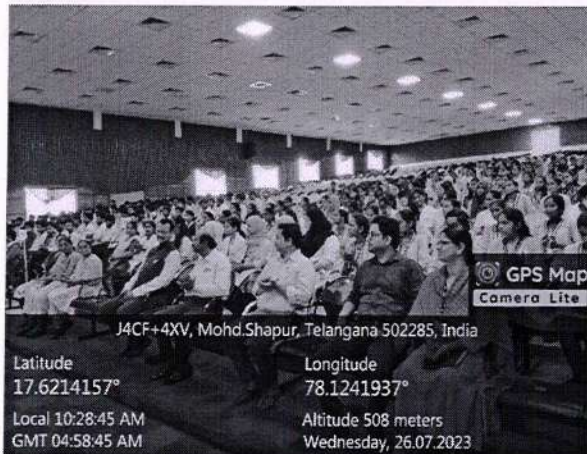

PRINCIPAL
MNR COLLEGE OF PHARMACY

The second session after lunchbreak was conducted by Dr Anshuman Varma, Scientist MNR FRI. He enlightened the students about the trade marks and details of the trademark concept. He explained to the participants about the difference in patents, copyrights and trademarks.

All the speakers interacted with the participants in question answer session and satisfied the doubts raised by them. The overall workshop was a brain treat and participants were motivated to direct the research towards IPR. The one day workshop was concluded by vote of thanks by Dr Vishakha S Kulkarni.
